**THE LAKE ARTS COUNCIL** has been serving, educating and enriching the Lake Area Community since 1983. It is only through the generous support of individuals and businesses that we are able to accomplish our mission and provide engaging representations of the arts to our community. In the past few years we have presented the following events:

- The Vienna Boys Choir
- The Missouri Orchestra Pops Concert
- The Missoula Children's Theatre
- Saint Louis Taiko Drummers
- Student Art Quest
- Photo Quest

In addition to these highlighted events, the LAC has presented exhibits, festivals and gatherings all in celebration of the arts. Supporting our local artists is at the heart of our goal of connecting people with the arts. Please see the reverse side of this page for a list of the community organizations recognized and promoted by the LAC.

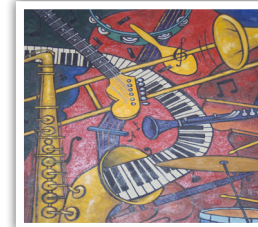

The vitality and growth of the Lake Arts Council is dependent upon new and renewed sponsorships providing the financial assistance that will enable us to continue the programs that bring joy to so many. We need your help.
